

November 13, 2010
NDSRT Board Meeting
President of the Board

Greetings to all,

Fall, a season of change, has arrived in North Dakota. Change is in the air, and now is the time to support the CARE bill. I have been busy communicating with Aids from Senator Dorgan and Senator Conrad's office. They are interested in supporting the CARE bill when it comes out of the Senate Health, Education, Labor, and Pensions committee and is introduced to the Senate floor. This is great news for us. House Representative Earl Pomeroy has been less supportive. Our actions will make a difference. Please contact him and ask your friends to also support the CARE bill. Pomeroy can sponsor the bill now, as it is on the floor in the House. A link to the CARE bill is on the NDSRT web site.

We have not had much response from NDSRT members concerning the status of the 4 state districts. We will be bringing this information to the NDSRT convention in the spring. We are still in non-compliance with ASRT. I will be informing Cathy Dresser, ASRT representative of our actions.

I am looking forward to hearing from Dawn Hovland about the April conference. It would be great to post more information on the NDSRT web site.

A big thank you goes out to Shawn Worley; he has been updating the NDSRT web site in a timely fashion. We appreciate your efforts Shawn, as the web site is our best means for communicating to our members.

We will continue you to work on NDSRT and district business. Your continued support and commitment are appreciated.

Sincerely,

Ann Bell-Pfeifer
NDSRT President
